WHO IN THE  
WORLD IS  
DOING THIS?  
WHAT'S IN IT  
FOR THEM?

Unfortunately,  
even after extensive  
research, we haven't  
found anything regarding  
the people behind  
this...

But...

We've found a  
way to destroy this  
world, we only need to  
execute the plan...

If it succeeds, players  
trapped in this world may have  
a chance to return home! How-  
ever, there may be a possibility  
that we will disappear along  
with 'Segregated World'...

IS THERE  
NO OTHER WAY OF  
LEAVING THIS PLACE  
SIDE OF YOUR  
PLAN?
